Christmas 2019

Thank you to all our Carers who came along to our Christmas activities. Fun was had by all at the Riverside lunch and Oscar's meal.

Some of our Carers came along to a Christmas craft event to make some lovely Christmas gifts and decorations.

Huge thanks to the invited guests and the Provost for coming along to our Christmas activities and spending time with our carers.

North Ayrshire Young Carers

Thank you to Cash for Kids for the funds to provide a lovely buffet and sweet treats at our Christmas disco. All the kids had so much fun with pass the parcel, Christmas music quiz and dancing the night away.

Christmas 2019

We also had Christmas movie night; at our last group night; before end of term with hot chocolate; and popcorn!

Young Carers Awareness Day 2020 is focused on Education. Along with some Young Carers we will be hosting an event for teaching staff in North Ayrshire to make them more aware of the support Young Carers need in Education.

Fiona from North Ayrshire Council came to speak to our Young Carers about poverty and how it effects young people. Our Young Carers were able to provide an insight into how poverty is perceived in North Ayrshire from a youth perspective.

Ritchie from the National Galleries came along to the Centre to do an expression workshop with some of our Young Carers.

For Carers Rights Day our Young Carers made some lovely art work with facts about Young/Student Carers and how the Carers Centre has helped them.

Young person's Participatory Budgeting awarded us funds for activities in the 3 towns area. This will take place during the Easter holidays and Young Carers

Young Carers Grant

The Young Carer Grant was introduced on 21 October 2019. Young Carer Grant is a yearly payment of £300 for young carers who live in Scotland

You can get Young Carer Grant if all of these apply:

- you live in Scotland
- you're 16, 17 or 18 years old
- you've been caring for one or more people for around 16 hours a week, for the last 3 months. Caring can include supporting either the physical or mental health and wellbeing of someone (or both)
- the person or people you care for are getting certain benefits
- you're not already getting Carer's Allowance

The person or people you care for must have been getting one or more of these benefits for at least the last 3 months:

- the daily living component of Personal Independence Payment (PIP)
- the middle or highest care rate of Disability Living Allowance (DLA), including Child Disability Living Allowance
- Attendance Allowance
- Armed Forces Independence Payment
- Constant Attendance Allowance

Social Security Scotland have put together information and examples of what a young carer is to help you see if you or someone you know might qualify for the Young Carer Grant.

Ask staff in the Carers Centre for a leaflet.

Applying for the Young Carer Grant

You can apply:

- online : mygov.scot
- by phone on 0800 182 2222

Find out all you need to know about the Young Carer Grant on mygov.scot

Other support for young carers

The support also includes a young carer element to the Young Scot National Entitlement Card and, in 2021/22, concessionary bus travel

Carers Information

Carers (Scotland) Act 2016

Carers (Scotland) Act 2016, is an act of the Scottish Parliament to make provision about carers, including the identification of carers' needs for support through adult carer support plans and young carer statements; the provision of support to carers; the enabling of carer involvement in certain services; the preparation of local carer strategies; the establishment of information and advice services for carers; and for connected purposes.

Adult Carers Support Plan & Young Carers Statement

Below you will find some advice on your rights as a Carer, including your right to request an Adult Carer's Support Plan or if deemed a Young Carer, then a Young Carer's Statement.

Further to the Carers (Scotland) Act 2016, all local authorities were tasked with devising a policy which was in keeping with the Act and also in keeping with their commitment to provide help and support where most needed. North Ayrshire Health and Social Care Partnership have been working hard to roll out their Adult Carer Support Plan and Young Carers Statement and you will find a summary printed below. More information can be accessed online or you can request this information by contacting the Carers Centre.

Adult Carer Support Plan

As an adult carer you have the choice to complete an **Adult Carer Support Plan**.

The support plan gives you the opportunity to identify the following:

- ◆ Your thoughts and feelings about caring
- ◆ Your relationship with the cared for person
- ◆ Your social and leisure activities
- ◆ Your physical and mental health
- ◆ Your education and work life goals
- ◆ What would make things easier for you to carry out your caring role
- ◆ What would help in the future if you were no longer able to care.

For further information on Adult Carer Support Plans please contact your local Health and Social Care Partnership office or Carers Centre.

Young Carers Statement

A Young Carers Statement (YCS) can be completed for any young person under 18 years old or over 18 but still at school.

The young carers statement is completed by having a conversation with health, education, social worker or someone you feel comfortable talking to in order to establish if it is appropriate for you to care for someone else.

The young carers statement will identify your individual outcomes and what matters to you as a person such as:

- * Details about the person you care for and support you provide
- * The impact caring has on your health and well being
- * The extent that you are able and willing to provide care
- * The nature and extent of the care provided is appropriate
- * Any support which is needed, either for you or the person you care for
- * Whether a short break is needed.

You can ask the following for a young carers statement:

- * The Care Manager of the person you care for or Contact their local Health and Social Care Office directly
- * The North Ayrshires Carers Centre to request a Young Carers Statement.
